Universal Orlando consists of two theme parks (Universal Studios Florida and Islands of Adventure), a water park (Volcano Bay), a night-time entertainment complex (Universal CityWalk Orlando). The park's theme is the entertainment industry, in particular movies and television. Universal Studios Florida inspires its guests to "ride the movies", and it features numerous attractions and live shows. Here is a link to purchase group tickets: [Universal Orlando Tickets](#)

The convention center is located only 2 miles from the SeaWorld Orlando Park. Here is a link with information about purchasing tickets to the park and also information for the Aquatica Water Park: [SeaWorld Tickets](#)

Discovery Cove is an all-inclusive day resort where you and your group can experience exciting animal encounters. Swim with bottlenose dolphins, feed tropical birds, snorkel through a saltwater reef and play inches from a family of otters - all in one day.
